

O2k-Fluorometry Workshop: Cell respiration and hydrogen peroxide production

February 16th 2016, 09:00-13:00
CeMM, 8th floor, Seminar room

Erich Gnaiger, Giorgia Lamberti
OROBOROS INSTRUMENTS

Instrument demo with
real-time experiment to
introduce high-resolution
respirometry with the
OROBOROS O2k – the
world-wide leading
technology from Austria.

Science seminar The World as a Laboratory: Exploring Mitochondrial Fitness

Erich Gnaiger, Medical University of Innsbruck
February 16th 2016, 14:00-14:30
CeMM, 8th floor, Seminar room
